Profile

I am a software developer specializing in full-stack JavaScript, and am passionate about security. I enjoy learning about the latest technologies and writing scalable code.

Technical Skills

Proficient in: JavaScript, Node.js, Express.js, Angular.js, REST APIs, MongoDB, Git/Github, Heroku, Ionic, Cordova, JSON, Grunt, jQuery, Mocha, Chai, OOP, HTML5, CSS3, Unix, Linux.
Experience with: Nginx, TDD, PHP, SQL, Jade.

Projects

K-Vox (2015) github.com/sschadwick/karaoke-jukebox
- Karaoke-Jukebox and Room Management system written in mobile-friendly JavaScript.
- Created in 7 days by five developers possessing different skillsets.
- Designed QR code integration, admin functions and secured them with bcrypt.
- Built using: MongoDB, Express.js, Angular.js, Node.js, Socket.io, Mocha/Chai testing.

File Locker (2015) github.com/sschadwick/file_locker
- JavaScript app that allows users to securely upload files to the cloud.
- Built collaboratively by three people from concept to completion in 7 days.
- Team Lead, designed back-end server and database.
- Utilized: Express.js, Node.js, MongoDB, Angular.js, Passport, bcrypt, AES-256.

Experience

Checker – Central Market – Shoreline, WA 2015
- Built rapport with customers by communicating effectively using active listening.
- Run checkstand area efficiently and accurately.
- Accountable for daily sales transactions up to $21,000.

Beer Specialist, Manager – Beverages & More – Seattle, WA 2014 – 2015
- Raised beer department sales by 20% over previous year.
- Floor supervisor, managed five associates.
- Processed daily deposit, approved returns and exchanges.
- Forecasted business trends and placed weekly orders with vendors in excess of $45,000.

Education

Code Fellows, Seattle, WA
Certificate, Full-Stack JavaScript Development Accelerator, Aug. - Oct. 2015.

University of Washington, Seattle, WA
Bachelor of Science, Cellular, Molecular and Developmental Biology, 2009 – 2012.

Volunteer

NWABR BioExpo Judge – Seattle, WA 2013-2015
- Interviewed high school students and reviewed their BioExpo project submissions.
- Worked alongside biotech industry leaders to compare and evaluate winning projects.
